## Work It, Girls

2013 Fresh Faces of Fashion

### THE SETTING

Our beautiful bevy of Fresh Faces hit the runway at Stanley Korshak for a stylish evening benefiting the Suicide and Crisis Center of North Texas.

### THE SCENE

After cocktail hour, everyone sidled up to the runway to watch the philanthropic ladies walk in colorful duds by featured designers Sachin + Babi, both in town for the event. Emcee Mark Stafford was all English charm as he kicked off the show with a joke, and the Fresh Faces—Nicole Barrett, Peyton Blackwell, Paige Hardison, Bailey Harrison, Nicole Stewart Schlesinger, Jessica Jones, Cristina Lynch, Maddy McKinley, Priya Rathod, Rachel Riley and Melody Rogers—proved to be good sports, smiling down the runway and waving to their friends and family. From there, it was off to the dining room. After kind words from chair Yvonne Crum about the cause, dinner was served by the Crescent, and the ladies of honor enjoyed a bite with their biggest fans.

### THE CROWD

There for support were Gene and Jerry Jones, Martha Wyly Miller, Nancy Dedman, Karla McKinley and others. —ND
