

2023 Fashion Stars for a Cause presents

Danny Campbell Photoshoot

The Dallas Skyline shines bright at night illuminating the city and showcasing its beauty but many people don't see the light as they live in darkness and oftentimes can't find the strength they need to get the help they seek. This is the sole purpose of SCC to provide the light through education, to show each person love and let them know they are valuable and can lead a healthy, happy life. The SCC is a source of hope, if you know anyone suffering from depression please send them to the SCC

**Includes Photoshoot and
5 edited images**
